I can't open it???? "the network is not open or started" but I am on the VPN. If I open the one in my One Drive, is that the one you made changes to? I can only see Jamie and my changes.

I kinda reworked this one to try to get the non "Supplemental" information on the first page – see what you think.

Do you want me to put this one in the briefing paper format?

Please review if you have time. Is there a way to shorten it?
